

Huge Savings. No Risk.

Recent legislation just cut debit card fees in half. Is your current credit card processor going to pass those savings on to you?

Save big on processing costs.

The Durbin Amendment just cut debit card fees in half – and debit card fees represent over 50% of all processing volume. That means you could save 25% or more on your processing expenses.

Never buy terminal equipment again.

Plus, you'll get a state-of-the-art credit card processing terminal absolutely free. No catch. No hidden fees. No annual fees. When we say "free," we mean it.
